

Exploring New Ways to Support Wellness

A recent visit to [Robin's Nest Rescue](#) offered TURN staff a meaningful look at how **animal-assisted connection can support behavioral health** and emotional healing. The team at Robin's Nest Rescue welcomed staff members to their sanctuary, where neglected, abandoned, and abused animals receive compassionate care and a second chance at life.

TURN and Robin's Nest Rescue share a **commitment to strengthening community wellness and healing**, whether through behavioral health services or the comfort of a rescued animal. We are proud to highlight the importance of local nonprofits working together to uplift the people and animals who need it most.

Staff members from TURN and Robin's Nest

If you feel inspired by this collaboration and wish to help expand meaningful experiences for TURN clients, contributions of any size make a difference.

We are grateful for your support that helps us provide more **opportunities for healing, connection, and resilience.**
