Rockin' Robin Music Festival Returns with Two Stages of Live Music and Entertainment for America's 250th Birthday

"Red, White, & Rescue" event will feature 30+ musicians, food truck & bar, local vendors, and auctions to benefit animal sanctuary

July 1, 2026 (RAMONA, CA) – [Rockin' Robin Music Fest](#) returns on Sunday, October 11, 2026, bringing together 10 live musical acts for San Diego County's most unique outdoor festival. Set against the scenic backdrop of a five-acre animal sanctuary in Ramona, this family-friendly event celebrates America's 250th birthday with live music, dancing, food truck and bar, local artisans, rescue animals, and activities for all ages, while raising critical funds for [Robin's Nest Rescue](#).

Headlining this year's festival are more than 30 performers spanning country, Americana, folk, bluegrass and rock, including local San Diego favorites Ashley E. Norton, Chloe Lou, Mark Torpey, Miranda Ramos, Thea the Band, MDG & the Del Sols, Blue Healers, Southern Mayhem, Rock n' Roll Camp for Girls San Diego, and returning Chicago artist Eddy Green. Gates open at 10am, with an opening ceremony featuring Chloe Lou performing the National Anthem.

At 12:30 PM, prepare to be amazed as the renowned Temecula Cowgirls Parade & Drill Team ride into Rockin' Robin with a breathtaking patriotic performance on horseback. Combining precision formations, western flair, and red, white, and blue spirit, this crowd-favorite spectacle is one of the highlights of the day and a fitting tribute to America's 250th birthday celebration. From synchronized riding maneuvers to dazzling displays of horsemanship, this is a performance guests of all ages won't want to miss.

Unlike traditional musical festivals, Rockin' Robin uniquely blends live entertainment with unforgettable encounters with rescued alpacas, horses, pigs and other ranch animals, creating an experience families can't find anywhere else in San Diego County.

"Rockin' Robin Music Fest is more than a concert—it's a celebration of community, compassion, and incredible local music," said Kimber Williams, founder of Robin's Nest Rescue. "Whether you're coming for your favorite band, to meet our rescue animals, or simply to enjoy a beautiful day outdoors with family and friends, every ticket helps give our animals a second chance and supports therapeutic programs that change lives."
